

CRYPTOVERSE

“Paper money is going away”

Tech-Nexus, brings to you Cryptoverse to explore and leverage the exponentially growing Cryptocurrency Industry and experience the volatility of this FOMO & FUD referred market without any risk of losing your own money. A competition designed to introduce you to the ever-changing world of cryptocurrencies, which has captivated everyone. Brace yourself, put your skills to the test and push your limits in the battle among Crypto Traders.

ABOUT THE CONTEST

- The competition will be held on *Roostoo* using code 'NITH2022'.
- No participation fee or prerequisites are required to participate.
- The competition will commence on 5th January 2022 and will go on for 3 days.

Each participant will begin with a mock **\$50000** worth of virtual money.

TRADING PROCESS

- Participants can enter any number of trades to mock-buy or sell 33 cryptocurrencies (ranked according to real-life market capitalization).
- To mirror real-life cryptocurrency trading, participants can choose between Market orders and Limit orders when buying or selling any crypto.
- Prizes will be awarded to the participants on the basis of their ranks, which will be decided by their highest portfolio return rates. In case of a tie, ranking and prizing will be decided as deemed fair by the organizers.

REWARDS

- Prizes worth **INR 10,000/-**.
- Top 10 traders will also receive a '**Top Trader certificate**'.
- All the participants will get a certificate of participation from Tech-Nexus, NIT Hamirpur.
